A MESSAGE FROM YOUR KVCC PRESIDENT

By Michelle Moudry

Dear Neighbors,

It is no doubt this has been a challenging time; I hope you are all recovering from the recent winter storm and getting the assistance you may need to stabilize. With the vaccine rollout and cases down, we look forward to turning the corner this year in the pandemic.

We started the year with the KVCC Annual Resident Meeting on January 27th where new officers were voted in. I have volunteered to serve as President and Elizabeth Quattrucci as Vice President. The rest of the officers are the same as last year, and Scott Rose continues to stay involved heading up the newsletter, website and serving on the Security committee. We would like to extend our gratitude with Scott for his 5 years of service as President (not all consecutive) of the KVCC. His tireless efforts and involvement have moved the club forward and we appreciate all of his hours of commitment to the KVCC.

As the new KVCC president, I hope to continue to grow an already well-run organization that offers important services to a diverse group of homeowners. I welcome involvement and assistance from our residents to continue to make Knollwood Village a great neighborhood. Please reach out to me if you have interest in getting involved in the club on a committee and we will find a place for your assistance. I would like to focus on increasing our dues participation and overall collection. It is especially imperative this year as we have taken on higher expenses to cover SEAL, our new security provider, who patrols our streets on behalf of all the residents in the neighborhood. Please take a moment to add your email address if you aren't on the KVCC distribution list at <http://knollwoodvillage.org/email/>

For those I haven't met, I moved to Knollwood Village with my husband Randy, son Logan (10), and French Bulldog Mia in 2014, originally on Prescott while building our house on Conway. Randy grew up in the area and went to St. Vincent de Paul School, where Logan is now in 4th grade. I work in commercial real estate with Hines focusing on Retail Acquisitions and Asset Management.

Elizabeth Quattrucci moved to the area with her husband Brian, 2 sons - Mark (29) and Brian (9), and Sophia their 2-year-old mini Schnoodle in 2015 after their Meyerland home flooded. Brian is in 4th grade at St. Vincent de Paul Catholic School. They rented on Riddlewood for 2 years and moved into their home on Hatton in 2017. Elizabeth is a litigation Paralegal for Bush & Ramirez (insurance defense firm). Elizabeth would like to also continue to make Knollwood a safe and great place to live and encourage positive enhancements to our neighborhood.

Thank you all for your support of the KVCC,

Michelle Moudry, President
president@knollwoodvillage.org

2020 Holiday Lighting Contest Winners

Many thanks to all of our residents who decorated their homes this past holiday season. It seems the friendly competition is growing year by year. Special thanks to the Feldman Family on Stanton for conducting the judging, and to the Social Committee for organizing the contest. Here are the winners who all received gift cards.

1st Place – 3018 Linkwood

2nd Place – 3018 Broadmead

3rd Place – 8227 Lorrie

Most Creative – 2811 Prescott

Most Traditional – 3411 Broadmead

Best Color Scheme – 3115 Linkwood

The Knollwood Village Social Committee is gearing up for 2021 and typically would be planning to host several events throughout the year. However, due to the pandemic most of it is on hold. If you have any safe / fun activities to do with your neighbors and help build our community in our neighborhood, please reach out. If you have ideas, questions, or want to volunteer for the social committee, please email social@knollwoodvillage.org

BRAYS BAYOU ASSOCIATION

By Billy Pilgrim

Brays Bayou Association: The Brays Bayou Association held a virtual informational meeting on January 12th. Featured speakers were Harris County Flood Control District Federal Projects Manager Gary Zika and Houston Parks Board Conservation and Maintenance Director Trent Rondot. Zika provided an update on the remaining Project Brays bridges and answered questions submitted by meeting participants. Rondot provided an update on the Bayou Greenways 2020 project (<https://houstonparksboard.org>) and also responded to questions.

Buffalo Speedway South: The City of Houston began a panel replacement project on Buffalo Speedway south of South Braeswood. The project is not a total rebuild, e.g.,

new sidewalks, driveway entrances, etc., but it will remedy the broken pavement and ponding problems that currently exist. Completion is estimated to be about three months but our part of the neighborhood will be finished much sooner.

West University Place Buffalo Speedway Rebuild: West University Place got underway with its street and drainage improvement project of Buffalo Speedway from West Holcombe Boulevard to Bissonnet Street. This will be a 2-year project with construction completion sometime late in 2022 or early 2023 so traffic through the length of the project is going to see some impact.

ADVERTISER NOTICE - Knollwood Village does not endorse nor recommend the advertisers in this newsletter. Before contracting for service, check references and recommendations from independent sources.

BRAESWOOD SUPER NEIGHBORHOOD

Update by Cheryl O'Brien

The Braeswood Super Neighborhood (BSN) is monitoring all the activity on Buffalo Speedway and the various bridges in the area. There is a separate article with details on that work.

Progress is being made on the Stella Link Mobility Bridge across the bayou. At its January 25, 2021 meeting, the Harris County Commissioner's Court took the following action with regard to this bridge:

Recommendation that the County Judge execute an amendment and agreements with Costello, Inc., in the additional amount of \$56,617 for engineering services for improvements to Brays Bayou pedestrian and bike bridge near Stella Link Road and Glen Arbor Drive in Precinct 1 (UPIN 19101MF0XZ01).

In other bridge news, the BSN is working with the city and CenterPoint Energy on decorative lighting for the new Buffalo Speedway Bridge. Stay tuned for more information, as we get closer to finalizing details.

Saturday, April 10, 2021 has been set as Keep Houston Beautiful Day. The BSN will be sponsoring a cleanup of the Stella Link/S. Braeswood intersection and south on Stella Link to I-610. The Super Neighborhood will be asking the neighbors from all of our neighborhoods to help pick up garbage on the sidewalks and clean up leaf litter. If we have enough folks show up, we'll also work at Linkwood Park. If you would like to get involved, please email Cheryl at clpobrien@comcast.net.

LONGFELLOW ELEMENTARY SCHOOL

By Jenny Rozelle

We hope your families were safe throughout the winter storm.

Longfellow is currently enrolling for the upcoming school year. We can accept students out of zone as long as parents or guardians apply through the HISD School Choice website. Please call the front desk at 713-295-5268 if you are interested. Applications are due by April 1. To see what our wonderful fine arts magnet has to offer, watch our video at <https://youtu.be/1b3LCJmfaZ4>.

Pre-K enrollment for 2021-2022 began in February. For more information, please contact Longfellow at 713-295-5268 or email Ms. Pennington at apennin1@houstonisd.org. The waitlist for our Pre-K program filled very quickly last year, so make sure to express your interest as soon as possible!

Spring break will be March 15-19.

We're so proud of our students for continuing to wear their masks and stay six feet apart!

PERSHING MIDDLE SCHOOL

Provided by Jenn Vaughan (from school website)

National Geographic recognized Pershing Middle School's team of 6th graders as regional finalists for their solutions in the 2020 GeoChallenge.

The Pershing PBL team, Arteen Moghaddam, Kevin Yan, David Raichman, Wilaydreus Sowell were invited and honored at National Geographic Society's 2020 GeoChallenge Virtual Celebration recognition ceremony on April 20, 2020 and were also awarded T-shirts and chosen out over 1,000 teams from all over the United States to advance to the Regional Finals.

The 2020 GeoChallenge theme was Tackling Plastic! The final in-person competition was cancelled due to the Covid-19 pandemic. The National Geographic GeoChallenge is a project-based, multi-level competition that empowers students in grades four through eight to develop creative solutions to today's urgent environment problems. Over 5,000 students submitted over 1,000 projects representing 248 schools from across the United States.

A second Pershing Middle School team from Ms. Hawk's Project Based Learning (PBL) STEAM class also received recognition for their submission: Audrey Blackman, Leah Kim, Liora Yustein, and Shaniya Murphy. All teams were tasked with developing a local solution to plastic pollution and produced both a map and video that displayed their creative solutions. We are extremely proud of our Pershing Middle School students for embracing this learning opportunity!

FINANCIAL CIVIC CLUB UPDATE

By Laura Ferro (Treasurer)

Dear Neighbors,

As of February 21, 2021 we received 141 (22.6% out of 624) payments averaging \$308.27 for a total of \$43,466.

Thank you for your contributions and a special thanks to those who contributed the extra amounts.

Our projected revenue for the year is \$105,118 and to-date we received \$42,562 (after deducting \$1,154 PayPal fees). This income includes about \$250 in Architectural Design Review and Advertising revenue. Our projected expenses for the year are \$104,984 and as of end of February we have spent \$13,052 with Security being largest expense at \$11k followed by Landscaping at \$1k and Legal at almost \$1k.

In 2021, annual dues have increased from \$175 to \$290. This was necessary to cover the increase in Security (from Smith to SEAL) and to account for cost of living increases in other areas such as insurance, landscape maintenance, website, newsletter, and legal costs.

A Civic Club Invoice should have been received to those who had not sent in payment by mid-February. If that is still sitting on your counter, please make it a priority to get your payment in before the end of March. Alternatively, you can pay online by visiting our website at knollwoodvillage.org/ and click CONTRIBUTE.

If you have any questions, please feel free to contact me at treasurer@knollwoodvillage.org.

Sincerely,

Laura

Meet Your Knollwood Village Neighbor

The Lee Family on Greenbush Street

Name: Ken, Ayanna, Katie and Jonathan Lee

Tell us about yourself and your family:

We're the new family on the block! Ken, who was born and raised in New Jersey, is a chemical engineer with ExxonMobil located in the Woodlands. Ayanna, who is originally from Trinidad, also grew up in New Jersey. She currently works for a law firm downtown called Baker Botts, where she focuses on advancing diversity and inclusion for the firm. We are the proud parents of our sweet and creative girl Katie (8) and our son Jonathan (nearly 6) who is a Lego fanatic; both attend the Presbyterian School. We relocated to the Houston area in 2013 and love so much about the city. We're really excited to be a part of our new community and look forward to making friends in the years to come. We're also excited to be celebrating our 10-year wedding anniversary in May.

Favorite thing(s) to do as a family?

We are an active family and enjoy spending time together indoors playing games, cooking, or watching one of our kid's favorite shows – currently it's all about Bluey! We also enjoy being outdoors. On the weekends you'll find us taking walks, bike riding, and visiting Houston's many parks, museums, and restaurants. When COVID-19 first hit we spent the first few months bike riding as a family several times a week around the Rice University campus.

We relocated a few times for Ken's job so we've gotten used to being together a lot and depending on each other. I think that helped prepare us for having to spend so much together during the pandemic. We do however miss traveling as a family and visiting family and friends. The kids frequently share how much they've missed our vacation trips to Mexico or to see family in NJ. Lately, you will find us exploring our new neighborhood and getting to know the people in the community.

How long have you lived in the neighborhood?

We've lived in the neighborhood for 7 whole weeks! So far, it has been great. Everyone is so welcoming and friendly, from the neighbors dropping off welcome gifts to the warm hellos and introductions as they walk by. We previously lived in the Rice Village/Southampton area, about 10 minutes away, but knew very little about this neighborhood. We feel lucky to have found such a warm and family-friendly neighborhood that is still just minutes away from all the amenities and experiences we love about Houston – it really is the best of both worlds. We noticed right away the peaceful streets and that there are more people walking about than there are cars – a big plus for us with small kiddos!

What would you like to see improve?

If we had to choose one thing, we'd say making the dues mandatory. We feel this would help to elevate the value of this great neighborhood. Also, with more homeowners contributing, this would allow for even greater security patrol, more social events, and other enhancements to help make Knollwood Village an even more wonderful place to live.

BUFFALO SPEEDWAY BRIDGE

By Scott Rose

Buffalo Speedway Bridge: At long last the Buffalo Speedway Bridge replacement project is underway. First order of business was relocating the force main (an above ground pipeline) to its new location south of the new bridge site. The complete closure of the bridge to vehicle and pedestrian traffic was on January 18th in preparation for demolishing the existing structure. Construction of the new bridge will take about one year to complete. The trail on the south bank of the bayou has been detoured north across the Stella Link Bridge and then to the east along the north side of North Braeswood to Kirby Drive. East-West traffic on North and South Braeswood at the Buffalo Speedway intersections will be at times reduced to one-way in each direction during the project. North and southbound traffic on Buffalo Speedway will have to detour to Stella Link and Kirby Drive to continue on its way.

A blast from our past...

Did you know the Buffalo Speedway Bridge is also known as the Hugh Wilkin Bridge?

Mr. Wilkin was a lumberman and residential developer. In 1950 he purchased 53 acres of land called Braes Terrace for \$193k. He hired 21 top homebuilders to build homes ranging from \$18K to \$70K. Hugh realized in order for his investment to be successful, he needed a bridge to connect to the north side of the bayou so he built the 44-foot-wide bridge for \$75K which he later donated to the city. A few years later bought another 27 acres and developed it as Braes Terrace Section 2 which is a part of Knollwood Village today.

While I am sure we will all appreciate the new bridge, its wide sidewalks, its turn lanes and its ability to allow flood waters to flow more quickly when it's done, you can't help but appreciate some history of our neighborhood.

KVCC WINTER 2020-2021 INCIDENT REPORT

By David Wood

The Knollwood Village security incidents reported below are compiled from reports that residents make to S.E.A.L. Security Solutions (SEAL), crime data from the Houston Police Department that is available through HPD's website, and reports from residents. Information available on the crime data website is limited to the basic details of block number, date, time, and type of crime.

Since the last Knollwood Village newsletter, incidents that have been reported include three thefts, six break-ins of vehicles, two burglaries, twelve reports of suspicious persons or vehicles, one robbery, and one aggravated assault. The details of these incidents are listed below in this report.

NOTE: PLEASE report all criminal incidents to both HPD and SEAL Security. This reporting redundancy is important because HPD allocates their patrol resources to areas that report incidents. As a result, Knollwood Village is provided additional HPD patrols. Furthermore, SEAL Security does not receive HPD reports so our SEAL officer will not know what to be on the lookout for during patrols. SEAL can then provide a comprehensive, detailed history of reported incidents to the KVCC which is then used to compile this quarterly newsletter report. It is our intention to keep residents informed so individual and collective deterrent measures can be made more effective.

If you notice any persons in the neighborhood who are behaving suspiciously please report them to the Houston Police Department's non-emergency phone number 713-884-3131 and to SEAL Security 713-561-5757.

If you see a crime in progress, such as a person breaking the window of a house or kicking in a door, call 911, the City of Houston's emergency number.

Knollwood Village is in Precinct 7 of the Harris County Constable's office. The patrol dispatch number for the Precinct 7 Constable's office is 713-643-6602. The Houston Police Department should always be called first at their non-emergency number listed above, but feel free to call the Precinct 7 Constable second. If a Constable officer happens to be patrolling in the area they may be able to respond to a call more quickly than HPD officers patrolling further away.

Knollwood Village Incidents (Mid-November 2020 to mid-February 2021)

3500 block Deal (11/2/20, Monday, 7:15 PM) - Officer asked contractors to stop construction work because it was after hours. Officer made extra patrols on Fairhope because the power was out.

BLUE TILE STREET SIGNS

By Scott Rose and KHOU Reporter Sophia Beausoleil

Houstonians may have heard about the saving of the vintage blue and white mosaic tile street signs that were integrated into curbs on street corners when they were first paved back in the 1920's and 30's.

Currently, with all the road construction, this unique signage is in danger of disappearing. One Houstonian recently made it his objective to save a bunch of these tiles from being destroyed when the Buffalo Speedway Panel Replacement Project started.

Jack Stopnicki, a Braeswood Place resident, is working with the construction contractor to salvage these striking old treasures. While Jack wanted one for himself, he has offered them to other residents in the neighborhood. Our Knollwood neighbors Randy Moudry, Brian Quattrucci, David Feldman, David Juist, and Mike Doyle also helped load the heavy concrete tile street names to salvage from the Buffalo Speedway street work. Several neighbors have shown an interest in having one too.

In an effort to write this story, we came across a story on Ch 11 KHOU about a couple that has started the Blue Tile Project to save these tiles all around Houston. If interested in knowing more about this story, check it out at <https://www.bluetileproject.com/>. If you want to reach out to Jack, try him on his email at jackstopnicki@yahoo.com and thank you Jack for trying to preserve some of the history of the neighborhood and Houston.

ARCHITECTURE CONTROL COMMITTEE ACTIVITY (ACC) REPORT

2/19/2021	3435	Deal	Fence Replacement	X		Approved

Important not to Homeowners: The Civic Club expects homeowners to proactively contact and submit ACC requests for approval prior to starting work on their homes. If uncertain if your work requires an approval please review details online at <http://knollwoodvillage.org/build/> or email us to gain clarity. Also, the ACC encourages homeowners that witness new construction or related activities (i.e. additions, remodels, and even new fences) to alert the ACC as its difficult to patrol the entire neighborhood weekly. The ACC can be reached at build@knollwoodvillage.org.
