President's Letter

April Hearne

Dear Neighbors,

Thank you to everyone who showed up for Knollwood Village in big and small ways last year—checking in on neighbors, pitching in at events, and supporting the Civic Club. I'm feel so lucky to be part of this community and I am excited for the year ahead.

Join Us at the Next General Meeting

Monday, January 26, 2026

6:30 PM

Linkwood Community Center, 3699 Norris Dr

The KVCC bylaws mandate a General Meeting to be held each January, and we are scheduled this year for Monday the 26th. All Knollwood Village residents and greater community members are invited to attend. We'll share updates and ways to get involved. We're also excited to host a presentation from the Houston Parks Board with updates on Bayou Greenways and the progress along the Brays Bayou Greenway.

The presentation will cover project details like trail underpasses, upgrading older asphalt trails, and new concrete trail construction, along with an overview of Houston Parks Board's Conservation and Maintenance Program. If you walk, run, bike, or just care about the long-term quality of our green space, this will be a worthwhile conversation.

A Quick 2025 Year-end Budget Update

As of December 24, 2025, 39.9% of homes had contributed annual dues for 2025—just six homes short of our budgeted collections for the year. That's a slight improvement over last year, though still below our best year of 53% (2021).

Looking Ahead: 2026 Dues

Heading into 2026, strong dues participation is still the biggest lever we have to support the basics that matter—security efforts, beautification, and social events. If you're able, I hope you'll plan to contribute for 2026. Every household that participates helps keep our neighborhood priorities funded and predictable.

Want to get involved? We'd love the help.

The Civic Club is run by neighbors, and we can always use more hands—whether you want to volunteer once, help occasionally, or take on a bigger role. Involvement can be as much or as little as you'd like, and we'll gladly match you with something that fits your time and interests.

If you've ever thought, "I could help with that," this is your sign. Please come introduce yourself at the meeting, or reach out to me at president@knollwoodvillage.org. New volunteers and future board members are always welcome.

I hope to see you on January 26.

Your neighbor,
April

Treasurer's Report

Michelle Jarrell

Dear Neighbors,

As of December 24th, we had 39.9% of the homes in our neighborhood contribute annual dues for 2025, which is only 6 homes short of our budgeted collections for the year. This is a slight improvement versus last year, but well below our best year of 53% (2021).

In anticipation of lower dues collections, we reduced our expenses for the year by \$7,995, leaving us with a favorable cash flow for the year of \$11,018.

If you have not yet contributed, please consider doing so. Your contribution of \$290 goes to support beautification and security of our beloved neighborhood.

We've made it super easy to contribute:

- Mail a check to Knollwood Village Civic Club, PO Box 20801, Houston, TX 77225
- Pay using Zelle – make payment to treasurer@knollwoodvillage.org (there is no fee for Zelle!)
- Pay using Paypal, by visiting our website at knollwoodvillage.org and click CONTRIBUTE

Please be sure to include your address in the note section of either Zelle or PayPal so that I can accurately apply your payment. In 2025, we received dues from a company named “Clange, Inc.” but I do not know which address this payment is applicable to. If this is you, please send me an email letting me know which address this payment applies to.

Also, although paying online is convenient, PayPal charges about \$11 per transaction, which reduces funds for neighborhood projects. Zelle or checks help us save that cost.

Your support helps keep Knollwood Village beautiful and secure – thank you for being a part of this effort!

If you have any questions, please feel free to contact me at treasurer@knollwoodvillage.org.

Sincerely,
Michelle

Houston Parks Board Presentation on Bayou Greenways

Changing the way Houston moves!

Join us for this presentation at the January 26th General Meeting of the KVCC.

Houston Parks Board, a nonprofit organization, will be in attendance at the Knollwood Village Civic Club Meeting to give a presentation on the wonderful progress that is being made on the overall connectivity of the Brays Bayou Greenway. The presentation will give a refresher on Houston Parks Board and share specific project details for trail underpasses, upgrading old asphalt trails, and creating new concrete trails. An overview of the organization's Conservation and Maintenance Program will also be given.

Houston Parks Board expands, improves, and protects parks and greenspace in the Houston region. Since 1976, the 501(c)(3) nonprofit organization has utilized public-private partnerships and its extensive philanthropic, government, and community relationships to provide equitable access to quality parks and greenspace to the Greater Houston region. In addition to leading the transformational Bayou Greenways initiative, Houston Parks Board cares for more than 2,600 acres of greenspace and supports park projects large and small. For more information, visit www.houstonparksboard.org.

Remembering David Roder

By: David Fitts

David Roder Jr., age 63, passed away on October 10, 2025, in Houston, Texas. Born on January 18, 1962, in Houston, David spent his life in the city he loved and called home.

David was born in Knollwood Village at the address on Bluegate Street that also became his final home. David's early education took him through Longfellow Elementary School, Pershing Junior High School, and Bellaire High School. His life-long passion for learning and technology led him to complete the Microsoft Certification course in Information Management Systems at Rice University.

David's professional journey reflected both dedication and adaptability. He spent 17 years with Hilo Auto Parts, beginning in sales and later transitioning into the IT department where he was instrumental in installing computer systems across store locations. Following Hilo's acquisition by O'Reilly Auto Parts, David chose a severance package and continued his career at First Data for seven years. He later joined Verizon Wireless at their Houston call center before returning briefly to O'Reilly Auto Parts in a sales role. David retired in August 2010 due to health reasons.

In his personal life, David found enduring love and companionship with Maria Maldonado Roder, whose early life also revolved around Knollwood Village. Maria was born in 1960 and her parents built a family home on South Braeswood in 1967. Maria had many happy memories of their family growing up in Knollwood Village. Their large lot served as a gathering place for neighborhood kids to meet up for games and sports. Their original homesite is now part of Serenity Court.

David and Maria's story together began decades ago when David met Maria Maldonado through her brother Rick, a lifelong friend of David's from their time at Hilo. Although David and Maria met in the 1980s, it wasn't until September 2001 that they began dating. After more than twenty years of quiet patience and mutual respect, David and Maria married on his birthday in January 2004. They shared over 21 years of marriage filled with devotion and shared passions.

David and Maria initially lived together in a house on Broadmead that Maria had owned since 2001. David's mother continued to live at their Bluegate Street address until she passed the house to David. In May, 2012, David and Maria completed a new home on that site. Designed by Maria's architect brother, that home maintains the distinction of being the second home in Houston honored with LEED's Certification for energy efficiency and sustainability.

A man of many interests and talents, David had a deep appreciation for fast cars, hunting, auto mechanics, cooking, movies, and especially World War II documentaries. He enjoyed watching the Houston Astros and Texans and was a life-long loyal fan of his hometown teams.

He was an avid gardener who grew his own herbs and took pride in harvesting figs each year to create a beloved fig bar recipe. His homemade mint syrup was a staple for refreshing mint tea enjoyed by those close to him. David came from a family with deep roots in Houston's Jewish community. His family belonged to Beth Israel Synagogue where he was a great-great-great-grandson of the founding rabbi, a legacy that quietly underscored his heritage. Music was another passion. David favored the sounds of 1980s rock legends such as Van Halen, Led Zeppelin, Queen, Elton John, Kiss, ACDC, ZZ Top, Cheryl Crowe, and FleetwoodMac.

David invested in Knollwood Village not only by investing in and living in our community for most of his life, but he also supported the Knollwood Village Civic Club (KVCC) through his service to the Architectural Control Committee (ACC). Building their home on Bluegate Street infused David with knowledge of and enthusiasm for residential building and design. David gave back to the community by sharing his insights through the KVCC ACC.

With courage and resilience, David faced numerous health challenges over the last 25 years of his life. Through it all he remained kind-hearted, generous, loyal, honest and above all-patient. When unwell he preferred solitude with Maria by his side but cherished time with family and friends when feeling well. His sense of humor remained intact even during difficult times. David will be remembered for his strength of character and quiet grace. May his memory bring comfort to those who knew him.

ACC Report

Joe Powers, ACC Chair

From the ACC,

We have been busy this quarter with two new construction projects and one remodel. Please remember to submit your plans to the ACC for approval before, or at least, when you submit for your City of Houston permit. We are open to reviewing your plans in the schematic design phase so that you don't have to go through the entire design process only to find out that you need to make substantial changes to your plans to comply with the deed restrictions. Please feel free to contact me if you have any questions about the ACC review process and/or the Deed Restrictions in your section of Knollwood Village.

"Paige was truly a gift to us. As first-time homebuyers, we couldn't have asked for a better guide through the process. She was incredibly patient, communicative, and always made us feel comfortable asking any questions—no matter how small. Her knowledge and professionalism gave us so much peace of mind, and beyond that, she's genuinely one of the kindest people we've ever met. We're so thankful we got to work with her!"

"Paige was amazing. She knew her stuff, was so very patient, and made me feel like her only client, which I know wasn't true. Truly a professional. I cannot recommend her highly enough, and I am so glad she was my realtor. If I ever need to move again, she is the first person I'm calling."

Security Report

David Wood, Security Chair

The Knollwood Village security incidents reported in this newsletter are compiled from reports that residents make to S.E.A.L. Security Solutions (SEAL), crime data from the Houston Police Department that is available on the internet, and reports from residents. Information available on the crime data website is limited to the basic details of block number, date, time, and type of crime.

NOTE: PLEASE report all criminal incidents to both HPD and SEAL Security. This reporting redundancy is important. HPD allocates their patrol resources to areas that report incidents. It is to Knollwood Village's benefit to report all incidents that occur here to HPD so we can have additional HPD patrols. In addition, SEAL Security does not receive HPD reports, so if SEAL is not informed our SEAL officer will not know what to be on the lookout for during patrols. Also, SEAL provides a detailed history of reported incidents to the KVCC and that record is one of the sources of information used to compile our quarterly newsletter report. This helps keep residents informed about how the criminals operate so deterrent measures can be made more effective.

If you notice any persons in the neighborhood who are behaving suspiciously please call the Houston Police Department's non-emergency phone number, which is 713-884-3131, and report them. After you report the suspicious person(s) to HPD please call SEAL Security at 713-561-5757, and report the suspicious person(s) to them.

If, however, you see a crime in progress, such as a person breaking the window of a house or kicking in a door, then call 911, the City of Houston's emergency number, to report it.

Knollwood Village is in Precinct 7 of the Harris County Constable's office. The patrol dispatch number for the Precinct 7 Constable's office is 713-643-6602. The Houston Police Department should always be called first at their non-emergency number listed above, but feel free to call the Precinct 7 Constable second. If a Constable officer happens to be patrolling in the area they may be able to respond to a call more quickly than HPD officers patrolling further away.
